

*The Solano Employment Connection is
a proud partner of America's Job Center of CaliforniaSM Network*

Solano County's "Job Center" Resource for Job Seekers

The Solano Employment Connection (SEC) is a one-stop system for employment, education, and training services for Solano County residents. Through a collaboration of 25 partner agencies, the SEC provides access to a wide array of programs, training resources and services.

Click on our excellent website to see current calendars, upcoming training events, and significant job search information. Use the comprehensive 4-step self-directed job search guide on our website to find and attain a job more quickly.

Navigator Services

Navigator meets with all customers including reentry and veteran customers to discuss job leads, job search strategies, resources, referrals to SEC Partner agencies, and assists with resumes and computer applications. Addressing the job search concerns of job seekers is a major part of a Navigator's responsibility along with introducing individuals to other SEC Partner Programs.

Partner Programs

Some SEC partner agencies offer special programs to Solano County residents. These programs are subject to funding availability and may have specific eligibility requirements. For more information, please look at the Partner information.
